DIRECTORS' REVIEW

We are pleased to present the un-audited condensed interim financial statements of your Company for the half year ended May 31, 2011. These financial statements have been prepared in accordance with the applicable requirements of International Financial Reporting Standards (IAS 34 - Interim Financial Reporting) and the Companies Ordinance 1984.

FINANCIAL RESULTS

Your Company has upheld the momentum of the previous quarter and has continued investments in marketing and promotional activities. As a result, sales for the half year ended May 31, 2011 increased by 28%, as compared to the same period last year, largely due to an institutional order for anti-TB portfolio, and a first mover advantage for a new vaccine, leading to significantly higher uptake during the first six months. This increase in sales, coupled with some favorable product mix, has helped gross profit grow by 48% which has resulted in an improvement in profit before tax, compared to same period last year.

The reduction in administrative expenses is due to higher charges for doubtful debts and restructuring in 2010. Selling and marketing expenses have increased due to investments made on the launch of new products earlier in the year. Decrease in finance cost and increase in other income is due to credit control, and efficient use of liquid assets.

FUTURE PROSPECTS

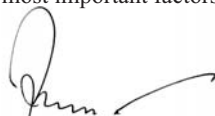

The current economic and law and order situation acts as a barometer for future business prospects in Pakistan. We still foresee economically challenging inflation, depreciating purchasing power and declining exchange parity in addition to regulatory stalemate, weak Intellectual Property Rights enforcement and impasse in general price adjustments. Further, the lack of clarity due to the 18th amendment, which aims to devolve to the Provinces various functions of the Ministry of Health including product pricing and registration, adds to the uncertainties already surrounding the pharmaceutical business.

DIRECTORS

On April 29, 2011, election of directors of the Company was held where all the incumbent directors were elected unopposed for a period of three years effective from April 30, 2011.

On July 07, 2011 Mr. Shahid Aziz Siddiqi resigned as a director of the Company and the casual vacancy thus created was filled by the appointment of Mr. Husain Lawai, effective July 25, 2011, as a nominee director of N.I.T. While welcoming Mr. Husain Lawai, the board wishes to place on record its sincere appreciation for the valuable services rendered by Mr. Shahid Aziz Siddiqi during his tenure as a director of the Company.

The board of directors would like to place on record its sincere appreciation of management and all the employees of the Company for their commitment and dedication, which are the most important factors behind these improved results.

Independent auditors' report to the Members on Review of Condensed Interim Financial Information

Introduction

We have reviewed the accompanying condensed interim balance sheet of **Wyeth Pakistan Limited** ("the Company") as at 31 May 2011, and the related condensed interim profit and loss account, condensed statement of comprehensive income, condensed interim cash flow statement, condensed interim statement of changes in equity and notes to the accounts for the six-months period then ended (here-in-after referred to as the "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information as at and for the period ended 31 May 2011 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Other Matters

The figures for the quarter ended 31 May 2011 in the condensed interim profit and loss account have not been reviewed by us and we do not express a conclusion on them.

6. OPERATING SEGMENTS

The financial information has been prepared on the basis of a single reportable segment.

- 6.1 Sales from pharmaceutical products and others represent 95.1% and 4.9% during the six months period ended 31 May 2011 (31 May 2010: 92.2% and 7.8%) of total revenue of the Company respectively.
- 6.2 92.4% (31 May 2010: 93.3%) of total sales of the Company relates to customers in Pakistan.
- 6.3 All non-current assets of the Company as at 31 May 2011 are located in Pakistan.
- 6.4 Sales to four major customers (distributors) of the Company is around 49.3% during the six months period ended 31 May 2011 (31 May 2010: 52.4%).

7. CONTINGENCIES AND COMMITMENTS

7.1 Certain ex-employees of the Company have filed claims aggregating Rs 247.572 million (2010: Rs 247.572 million) against the Company. The Company is contesting these claims in the courts and management is confident that the ultimate decision of the subject suit will be in favour of the Company. Accordingly, no provision has been made in these financial statements in respect of these claims.

7.2 Two ex-distributors have filed claims against the Company aggregating to Rs 84.929 million (2010: Rs 84.929 million) for recovery of damages. The management is confident that the cases will be decided in the Company's favour and therefore no provision has been made in this respect.

7.3 The Company has filed income tax returns under section 120 of the Income Tax Ordinance up to and including the tax year 2010. However, the income tax authorities have made arbitrary additions and disallowances to taxable income in respect of previous years, from assessment years 1997-98 to 2002-03 and for tax years 2003 to 2005 and 2008, which have resulted in an aggregate tax demand of Rs 231.962 million (2010: Rs 231.962 million). The tax demand has arisen mainly due to the following reasons:

- The assessing officer has made additions to the income based on the contention that the Company has allegedly paid excessive amount on import of raw materials.
- The assessing officer charged tax on purchases related to agriculture business of the Company under presumptive tax regime by treating all purchases as commercial imports.
- The assessing officer also charged tax on gain on sale of the Company's agriculture business and has also arbitrarily disallowed certain expenses attributed to that segment of the business.
- The assessing officer has disallowed the credit for adjustment of tax refunds and adjustment of compensation on delayed refunds.

Although the Company has filed appeals with various appellate authorities in respect of the above, however, a provision of Rs 100.794 million (2010: Rs 88.294 million) is being carried against the above demands on grounds of prudence. In consultation with their tax advisors, the management is confident that the ultimate decision of the appeals will be in the Company's favour.

7.4 The Assistant Collector, Sales Tax and Federal Excise has issued an order requiring the Company to pay Federal Excise Duty (FED) along with penalty and default surcharge amounting to approximately Rs 1 million in respect of technical services availed by the Company.

The Company filed an appeal against this order. The Commissioner Inland Revenue Appeals (CIRA) passed an order in favour of the Company. However, the Tax Department has now filed an appeal before the Tribunal, which is still pending. The management, in consultation with their tax advisors, is confident that the ultimate decision of the appeal will be in favor of the Company.
